HONOR SOCIETY
for High Schools

ELA Innovation Award

The NCTE-NEHS English Language Arts Innovation Award celebrates visionary educators who are shaping the future of high school English language arts education. This award acknowledges innovative teaching practices and recognizes the dedication and creativity of teachers.

- Applicants must submit PDF lesson plans or classroom resources they have created that relate to any aspect of grade 9-12 high school English Language Arts teaching, including diversity, equity, and inclusion.
- The lesson plans or resources must cover one unit in its entirety.
- Submitted materials must be in a format ready to be used by other teachers who might not have a strong background in the topic covered.
- All resources necessary for the lesson plans or resources to be used should be linked or included.
