

NEHS

NATIONAL ENGLISH
HONOR SOCIETY
for High Schools

University Scholarships

Open to all graduating NEHS student members, these scholarships support studies in any field at any accredited university worldwide.

Students read and analyze the NEHS Common Readers and craft essays that explore pivotal questions crafted by the Advisory Council.

- Students must choose one prompt for their essay, reflecting an understanding of the text and meeting the prompt requirements.
- Students must write a critical and analytical response to the essay prompt, not a book report.
- All essays must follow MLA guidelines.
- Essays must be typed in a clear 12-point font, must be double-spaced, and be a maximum of 850 words including quotes and references.
- Internal documentation is required for quotes and references; a Works Cited page is needed if additional research is included.
